26

The following narrative statement of the administration
of the case includes a summary of the major actions taken by the
trustee and the relevant justification of these actions:

27

28

Reviewed schedules, conducted 341(a) examination;

Listed in the Debtors' petition was a 2012 Mercedes Benz

1 with a value of \$8,000.00, which was free and clear of liens. The
2 Debtor requested an exemption of \$3,325.00 in the Mercedes under
3 C.C.P. §704.

4 After reviewing documents provided by the Debtor, Carmax
5 value and auctioneer value received from Jack Pope, a settlement
6 was reached with the Debtor to pay this estate the sum of \$4,000.00
7 as a compromise of the non-exempt equity in the vehicle.

8 A motion and notice to creditors was filed and an order
9 was entered October 5, 2022 approving the compromise.

10 Claims review was completed. No objections to claims
11 were necessary.

12 Review of the estates tax obligation, determined that no
13 tax returns were necessary for this estate
